IMPORTANT NOTES

There are no changes of the packages possible. E.g. getting the unit without backplate, wing or have a CE edition with DIN 5/8" instead of M26x2.

JJ-CCR ApS do not provide any parts of the JJ-CCR rebreather for home build projects. Parts and accessories are only sold to JJ-CCR users.

The JJ-CCR rebreather is only sold with the proof of a training course (full course or cross over)
